Fundraising Events

The 20/30 Club of Chicago is one of Chicago's premiere philanthropic organizations. We are focused on providing the community with value through our dollars raised and hours donated. One of the ways we do this is by hosting fundraising events. Net proceeds raised by these events allow the club to contribute up to \$100,000 annually to the community. Except for the value assigned to consumables, contributions to these special events are tax deductible.

Click below to join our email list to receive email about the club's upcoming fundraising events.
